SUPPORT FOR STUDENTS

FINANCIAL HELP

If you are studying on a part-time course you may be eligible for help towards the cost of your course from the Learner Support Fund or the Advanced Learner Loans Bursary Fund. Application forms are available from Student Services at Queen's Gardens or at the reception at The Learning Zone or Cannon Street and help may be available with books, equipment and childcare. The funds are means tested and early application is advised.

ENROL NOW, PAY LATER

If you enrol before the 16th August you will not need to pay anything at the time of enrolment. Your deposit will be taken on 4th September automatically and then any future instalments will be taken either weekly, monthly or termly. This can be done via Direct Debit or Credit/Debit card payment plan.

In order for instalments to be an option the course cost has to be over £100 and running for 10 weeks or more.

NO FEES TO PAY

If you are aged 19+ you may not have to pay fees on funded Further Education courses if you meet certain criteria. For more information regarding course fees and to see if you qualify for a fee waiver please call **01482 598744**

EQUALITY & DIVERSITY

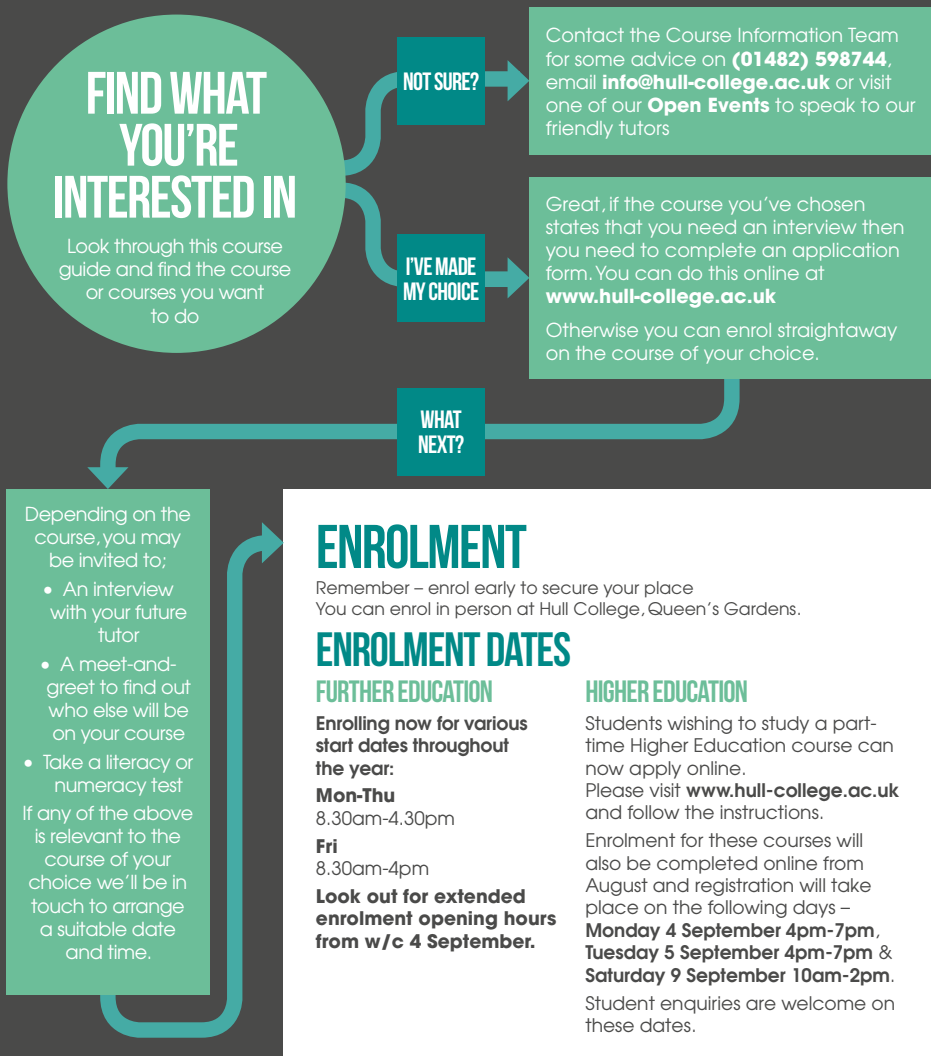

Hull College is committed to a policy of equal opportunities for all and to providing an environment that promotes equality for all and celebrates its diverse community. We value everyone equally and do not treat anyone less favourably on the basis of gender, disability, race/ethnicity, sexual orientation, age, religion/faith/belief, gender reassignment, pregnancy/maternity or marriage or civil partnership status. These are the protected characteristics as defined in the Equality Act 2010. The Group expects all staff, students, visitors and on site contractors/temporary staff to do the same. We strive to achieve excellence with our diverse student community and our own staff, recognising that people have different needs, culture, experience and expectations. We expect and encourage staff and students to work together to overcome all forms of discrimination and harassment. Through our shared Group values every individual is respected as of right and this should always be reflected in our language, behaviours and actions.

HOW DO I APPLY FOR MY PART-TIME COURSE?

Applying to study at **Hull College** is simple. Just follow these steps...

Advanced Learner Loan

If you're 19 or older, you can apply for the Advanced Learner Loan to help with the costs of a College course.

Loans are available to help you with the costs of studying a qualification from Level 3 up to Level 6. This does not affect your legal entitlement to full funding for your course if you are aged 19 to 23 and do not already hold a full Level 3 qualification or above. However, the course or qualification you wish to study must be listed by the ESFA as eligible for full funding entitlement. Those who already hold a Level 3 qualification or above and all those aged 24 and over will need to either self-fund or apply for a loan.

You can apply for a loan to pay the tuition fees towards your course, which will be paid directly to the college on your behalf.

Unlike a bank loan, your monthly repayment will be based on your income and repayments will then only start once you are earning over £21,000 per year. Repayments start at as little as £7 per month (based on an income of £22,000 per year before tax) meaning that this is a great way to access courses that previously, for financial reasons, may have been out of your reach.

Where do I apply?

Apply online or download an application form from www.gov.uk/advanced-learner-loan
