HULL COLLEGE GROUP

HIGHER EDUCATION ACADEMIC FEES REGULATIONS

This document relates to all students deemed to be ‘home students’ as defined in ‘The Education (Fees and Awards) (England) Regulations 2007’. This includes those people who are assessed as UK/EU nationals for the purposes of fee status. These regulations also include relevant fees requirements for students defined as Overseas students.

For the purposes of this document, “the Group” relates to the Hull College Group including its Higher Education courses based in Hull College, Harrogate College and Goole College.

1.0 FEES

1.1 For the purposes of the Group’s Academic Fees Regulations the word ‘fees’ shall be interpreted as:

’a sum of money due to the Group in respect of educational services, that will include tuition (including assessment, registration and examinations), academic supervision, the provision of other academic services and facilities such as library and learning resources, the provision of pastoral and extra-curricular services and the conferment of awards’.

The fees for an individual student are determined with reference to the Fee Schedule, the course of study, mode of attendance and the student’s fee status.

1.2 The payment of any fee must be made in pounds sterling.

1.3 A student shall be liable for any fee due to the Group. The process of enrolment of any student will not be complete until all tuition fees have been paid in full, or an approved payment plan for current academic year fees has been agreed with the Group Director, Finance.

1.4 A student is personally liable for the full tuition fee for his or her course

1.5 A student is required to pay all outstanding fees relating to previous academic years prior to enrolment. Enrolment on a course will be refused where there are fees outstanding from a previous academic year.

1.6 The Group relies on information provided by the student to determine the tuition fee to be paid. It is the student’s responsibility to ensure that such information is accurate and completed and is supplied at the times required by the Group.

1.7 A student who knowingly withholds, or recklessly tenders false information relating to his or her liability to pay a fee, either personally or via a sponsor, will have breached the Group’s regulations on student conduct and be subject to the Group’s disciplinary procedures. This is without prejudice to any rights the Group might have in respect of legal proceedings.
1.8 The Group will not be held responsible for any charges incurred by the student should he or she fail to amend or cancel any agreed payment arrangements at least seven days prior to the due date.

1.9 Tuition fees are fees for registration, enrolment, tuition, assessment, examination and the conferment of an award.

1.10 The Group shall publish annually a schedule of fees.

1.11 Tuition fees for the amounts specified in the schedule of fees are payable each academic session or other relevant period of study as determined by the Group.

1.12 Prospective students in receipt of an offer of a place at the Group and who, in accordance with ‘The Education (Fees and Awards) (England) Regulations 2007’ are classified as Overseas for tuition fee purposes are required to pay a deposit following acceptance of the offer.

This deposit is non-refundable except under the following circumstances:

a) the student fails to meet the conditions of the offer and/or;
b) the student fails to obtain a visa from the appropriate competent authority to travel to and study in the UK.

1.13 The Group shall grant a discount to any self-financing overseas student who settles in full, prior to or at enrolment, a tuition fee account for which he or she is personally liable. This arrangement applies only where the payment received is cleared in full.

1.14 For all students, tuition fees, except in cases where extenuating circumstances have been agreed as applying, are payable by students required or permitted by the Board of Examiners to be reassessed by ‘retaking’ entire modules or, in the case of research students, to be re-examined for the degree.

1.15 Reassessment by ‘retaking’ complete modules may be with attendance or without attendance, as agreed by the Board of Examiners.

1.16 Modules taken as ‘retake’ assessments are charged at the standard module fee for the course, taking into account the student’s fees status, and are published annually in the schedule of fees.
2.0 PAYMENT METHODS

Paying own fees

2.1 Payments will be accepted in cash, cheque, credit and debit card and by direct debit.

2.2 Students have the option to pay their fees in full at the point of enrolment.

2.3 The Group may make an agreement with a student for the payment of fees by instalments:

   The payment plan is payable over a maximum of 8 months and must be paid prior to you completing the course. No deposit is required at the point of enrolment.

   Students wishing to pay by Direct Debit or a Credit/Debit Card plan will incur an additional non-refundable charge of £15, which will be added to the total fees payable. Cash instalments will not incur the additional charge.

2.4 For those students paying in instalments by direct debit, if the account holder has insufficient funds in their account the student will incur a default charge of £5. If the direct debit is cancelled and the instalment remains outstanding after the due date a charge of £5 will be made.

Student Loans Company (SLC)

2.5 Students are able to apply for a loan through the SLC to pay for their tuition fees.

Full Time

2.6 Once approved for a Student Loan with the SLC a student can pay for their full time tuition fees with the loan.

2.7 Students can enrol on their course prior to making a loan application or before an application has been approved.

2.8 Students must be aware they will be liable for part of their fees once they have completed at least one session (one session = one timetabled class).

2.9 Students have 30 days from the day of enrolment to ensure their Student Loan has been approved. Failure to provide evidence of approval within 30 days will result in the student being liable for the fees (please see paying own fees section on page 5).

2.10 At the point of enrolment we will confirm the students registration with the SLC this will release payment to the student for their maintenance grant/loan.
2.11 In order for the Group to receive the Student Loan directly, we will confirm the student’s attendance with the SLC at three separate points during the year. The loan is paid in instalments of 25%, 25% and finally 50%.

2.12 We may on some occasions ask for evidence from the student to confirm their student loan has been approved.

**Part Time**

*Continuing Students (Old Regime)*

2.13 Students are able to apply for a loan prior to the course starting but will only receive confirmation that they have been approved for the loan/grant 2 weeks after the start of the course.

2.14 Due to students not receiving confirmation that their loan has been approved until 2 weeks after the start of the course and the possibility the loan/grant may not cover the cost of the course there is an expectation that these students will make arrangements to pay for their fees when they enrol. This can be either done in the form of a full payment or by setting up a payment plan (please see paying own fees section on page 5).

2.15 Once approved and the Group are in receipt of the loan/grant from the SLC, the student will be refunded any payments they have made to the Group.

2.16 Students must be aware that they are liable for part of their fees once they have completed two weeks of their course (2 weeks = 10 consecutive days).

*New Students (New Regime)*

2.17 Once approved for a Student Loan with the SLC a student can pay for their part time tuition fees with the loan.

2.18 Students can enrol on their course prior to making a loan application or before an application has been approved.

2.19 Students must be aware that they are liable for part of their fees once they have completed two weeks of their course (2 weeks = 10 consecutive days).

2.20 In order for the Group to receive the Student Loan directly, we will confirm the student’s attendance with the SLC only once at the start of the academic year. The loan is paid instalments of 25%, 25% and finally 50%.

2.21 Students have 30 days from the day of enrolment to ensure their Student Loan has been approved. Failure to provide evidence of approval within 30 days will result in the student being liable for the fees (please see paying own fees section on page 5).

2.22 We may on some occasions ask for evidence from the student to confirm their student loan has been approved.
Sponsors

2.23 The Group may agree to accept payment from a sponsor in respect of any part of a fee owed to the Group by a student. Only undertakings engaged in the private or public sectors are acceptable as sponsors to the Group. Agreement by the Group to accept payment of any part of a tuition fee from a sponsor does not extinguish a student’s liability to pay a fee, which shall only terminate when payment is received from the sponsor.

2.24 It is the responsibility of the student to provide documentary evidence of sponsorship that provides sufficient assurance to Group of the sponsor’s ability and commitment to pay such fees. The Group, at its discretion, may refuse to recognise a sponsor where reasonable efforts have not been established the existence of that sponsor or of the sponsor’s ability to make a payment. The Group shall notify a student of its decision to reject a sponsor.

2.25 Any part of a tuition fee payable by a sponsor must be paid within 30 days of the invoice. Where a sponsor’s payment is outstanding more than 30 days, the Group shall have direct recourse to the student, who shall be automatically liable for any outstanding sum. This is without prejudice to the Group’s right to require any sponsor to pay a fee on or before enrolment.

6.6 Students who do not return from their suspended students within 12 months will be referred to HE registry to discuss the matter further.

7.0 **FEE WAIVER**

7.1 In exceptional circumstances on receipt of a written request from the student, the Student Services Manager may waive or refund tuition fees or an administration charge in full, or in part, for students who have withdrawn on a temporary or permanent basis. All requests for a waiver must be submitted in writing to the Student Services Manager.

Exceptional circumstances may include:-

i) Death of spouse/ partner, parent or child;

ii) Serious physical or mental illness that prevents the student from continuing with his or her studies;

iii) Serious personal injury that prevents the student from continuing with his or her studies.

The above list is not exhaustive and each request will require the submission of certified medical or other documentary evidence.

7.2 If a student is dissatisfied with the outcome of an application submitted under 7.1 he or she has a final right of appeal to the Fees Appeals Panel. The Director of Student Services may also refer any individual cases, for final adjudication by the Fees Appeals Panel.
8.0 FAILURE TO PAY

8.1 A student who fails to pay within 30 days of enrolment a due tuition fee, or who is in default of a tuition fee instalment payment by 30 days, will be suspended by the Group from his or her programme of studies. During the period of suspension, a student shall not be entitled to attend classes or lectures, have access to learning resource facilities, submit an assessment, be examined or qualify for the award. Marks that may have already been awarded for work submitted during the period of suspension shall be disregarded by the Board of Examiners, who shall treat the work as a non-submission.

8.2 Any part of a tuition fee payable by a sponsor must be paid within 30 days of the invoice. Where a sponsor’s payment is outstanding for more than 30 days, the Group shall have direct recourse to the student, who shall be automatically liable for any outstanding sum. This is without prejudice to the Groups right to require any sponsor to pay a fee on or before enrolment.

8.3 A student who has been suspended for default in the payment of a tuition fee may be re-admitted to a programme of study where payment in full of outstanding fees is received within 28 days of the suspension. Where payment is received later than 28 days after the suspension, the student shall be re-admitted in the following academic year at the stage in the programme when the original suspension occurred. This regulation is without prejudice to the Group Finance Director’s right to make an arrangement for the payment of fees where a student is in default.

8.4 Suspension from a programme of studies for non-payment of fees shall not be grounds for granting extensions for submission of assessments, nor may the Board of Examiners treat such a suspension as circumstances adversely affecting student performance in assessment.

8.5 If, at the end of a level or a stage of a programme of studies, a student is in default of payment of part or all of a relevant tuition fee, whether suspended or not, the Group may withdraw the student from the programme of study, that is, may terminate the student’s enrolment.

8.6 Where a student wishes to dispute the decision of the Group to suspend or terminate their studies they should make a formal review request in writing to the Assistant Principal of Higher Education.
